

Name: Alex Deucher

Class of works: I am writing in support of Class #1 (Copy-Protected CDs):  
Sound recordings released on compact disc ("CDs") that are protected by  
technological protection measures that malfunction so as to prevent access on  
certain playback devices.

Summary:

Disc name: Brown Sugar UPC: 008811302825 Release Date: Sep 24 2002 Label: MCA

My girlfriend purchased the "Brown Sugar" soundtrack only to find out that it  
would not play on her new stereo. It also failed to play properly on my  
computer, either in Linux or in Windows; nor would it play in my car CD  
player. If this CD was labeled as copy protected, neither of us noticed.
